An abstract graphic design featuring a dense, curved grid of lines that form a funnel-like shape. The lines are dark purple/blue at the top and transition to a lighter, almost white color at the bottom. The overall effect is a sense of depth and movement, with the lines curving inward and then outward, creating a dynamic, organic form.

The image features a light gray background. On the left side, there is a complex, abstract graphic composed of numerous thin, concentric purple lines that form a series of overlapping, teardrop-like shapes. In the bottom right corner, a portion of a solid purple circle is visible.
